- The rest of the money must be paid by 15 May 2018 if through the bank or at the beginning of the workshop if cash *
 - If the attendant **cancels** his participation for the workshop he loses the prepayment
 - The organizer is obliged to follow the program as it is announced unless there are obstacles that do not permit to do so (weather conditions etc.). In that case he is obliged to offer another available activity that the majority of the attendants will desire
 - Question marks refer to unknown, so far, ferry timetable to and from Skyros. This we will know later, in 2018, and then the bus departure time will be settled
- * For practical reasons I would prefer that the rest of the money will be paid cash at the beginning of the workshop
